Dear friend in faith,
you are warmly invited to
meet at the

SYCAMORE

and be part of
**Galloway Diocesan
Mission Month 2021**

The 'Sycamore' story

In The Bible, Jesus arrives at the town of Jericho where a man called Zaccheus was so curious about Him that he climbed a Sycamore tree for a better view. He meets Jesus, they talk and his life is changed for ever.

So, the Sycamore is the perfect image of something which can help us get a better view of life and our faith.

Sycamore and Mission

All across our diocese during October and November groups of people are getting together in parishes, schools and youth groups.

The groups are open to everyone whether you wish to attend just one or all of the sessions.

Each group meeting comprises a short film and some time for informal discussion. Meetings are held in a spirit of friendship, welcome and openness, free from fear of judgement or pressure.

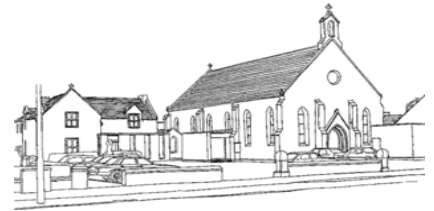

It's an opportunity for us to help rebuild our community life and our faith together as we move through Covid and share a period of prayerful mission with the whole diocese.

Sycamore and our Parishes

Groups will meet in *both* of our parishes *once a week over a four week period*. You can attend sessions at times to suit you in either parish. Its easy to sign up.

We look forward to seeing you at the

Do I need to bring anything?

Just yourself and a friend if you wish

What if I can't make all of the dates? You will be welcome to all or some as you are able. As each week has a different topic you will not get 'behind' with anything.
